## CONSUMER SIMPLE

You can't transform business without a great user experience

The central graphic features the VMware logo at the top, followed by a horizontal line and the text "Workspace ONE™". Below this, there are four devices arranged in a semi-circle: a smartphone on the left showing the VMware logo; a tablet in the middle-left displaying a Microsoft login screen; a laptop in the center-right displaying a desktop environment with icons like Adobe Photoshop, Microsoft Office, and RSA; and a desktop monitor on the far right also displaying a desktop environment with similar icons. All screens show a "Hello Lukas, here's your Apps!" message.
